

DIGITAL BANKING UPGRADE

BUSINESS PRE-LAUNCH GUIDE

UPGRADE DATE: OCTOBER 28th

Bank7 is upgrading your Digital Banking experience to make managing your business finances more streamlined with easier navigation and enhanced tools. As part of the transition, there are a few steps **we need you to complete before October 23rd** to ensure you have the information and templates you need in the new system.

Most of your account details will be available and ready to use within the new system, including transaction history, Bill Pay payee information, scheduled payments, recurring and scheduled internal transfers, ACH templates, as well as your settings for eStatements, Remote Deposit Capture, Positive Pay and Wire Transfers.

ACTION NEEDED:

WIRE USERS:

1. Wire history will not transfer to the new system. Please download and save a copy of your history before **October 23, 2026**.
2. Wire users will also need to create templates of frequently used recipients before **October 23, 2026**. Templates are **required** for recipients to migrate.
3. Recurring and scheduled wire transfers will need to be setup again in the new system on or after **October 28, 2026**.

ACH USERS:

1. ACH history will not transfer to the new system. Please download and save a copy of your history before **October 23, 2026**.
2. If you have not done so already, please **create templates for each unique ACH file before October 23, 2026**. The "Copy" feature is not supported within the new system.
3. Recurring and scheduled ACH transactions will need to be setup again in the new system on or after **October 28, 2026**.

The remainder of this guide provides instructions on saving Wire and ACH history and creating Wire and ACH templates.
